

MY GOD

By AJ Cheek & Phillip LaRue

Verse 1

I am a desert
I am a canyon waiting
My soul is dry ground
and underneath it's breaking

Chorus

My God, Heaven let your rain fall
Heaven let your rain fall
My Love, Heaven let your rain fall
Heaven let your rain fall
down...

Verse 2

I am dry bones
My faith is quicksand
I'm reaching for hope
will you reach out your hands?

Chorus

My God, Heaven let your rain fall
Heaven let your rain fall
My Love, Heaven let your rain fall
Heaven let your rain fall
down...

Bridge x2

I need you more than
this air I'm breathing

Chorus

My God, Heaven let your rain fall
Heaven let your rain fall
My Love, Heaven let your rain fall
Heaven let your rain fall
down...
