

# **REVIVED**

By Jeremy Campbell & Todd Preston

## **Verse 1**

Hope has arrived, hope has arrived  
You've given us new life, you've given us new life  
Love is alive, love is alive  
We have been revived, we have been revived

Let us sing of your love forever  
Let us sing of your love together

Quiet my heart, quiet my heart  
With your love lord, with your love lord  
Rejoice over me, rejoice over me  
Sing a song of peace, sing a song of peace

Let us sing of your love forever  
Let us sing of your love together

You're my savior, you're my savior  
You have restored my soul  
You're my savior, you're my savior  
You have restored my soul

There is none higher, there is none greater than you God  
There is none higher than you Lord

You have restored my soul
